

## STAGE “CITTA’ DEL VINO” FOR WINEMAKERS

Professional visit for winemakers, oenologists, sommeliers and enthusiasts

**30 April - 4 May 2018**

We are proud and happy to present the weekly program of professional visits to discover Crete.

**Title: Crete, the Mediterranean and the origins of European viticulture**

**Educational Director:** Prof. Attilio Scienza

**Place:** Rethymno - Crete, Greece

**Participation fee:** 500 euros per person

**The program includes:**

- Board and lodging in single or double room
- Teaching materials
- Guide, support and training by teachers, winemakers, sommeliers and professional tour guides
- Daily meetings with professionals
- Winery visits and tastings
- Personal minibus for the group for the whole trip
- Transfer in the early afternoon of 30 April from the airport and in the early afternoon of Friday 4 May.

The program presented is a basic program, therefore changes will be made if necessary. The cost of participation does not include travel expenses to reach Crete (airfare), but a transfer from the airport to the location of the Stage will be provided.

**N.B. : the language of reference of the Internship (visits and some lessons) will probably be English (without possibility of translation).**
